A higher-level language course that requires one of these courses as a prerequisite may also be used to fulfill the requirement.
 - Placement exams are required for several languages. Should a student place higher than the beginning level, any lower-level requirement listed on the four-year guide will need to be replaced with a free elective if needed for total hours for the degree. Please consult with your S D advisor for more information.
 - **NOTE: Appalachian's language placement test is designed for placement purposes only, and a score on this test alone is not sufficient to demonstrate intermediate-level proficiency.**
- **Residency Requirements:**
 - 30 hours must be from ASU (25% of the credit hours required in the degree).
 - 18 hours in the major must be from ASU.
 - 9 hours in the minor must be from ASU.
